Instructions and Tips

Carry Your Permit:

You must carry your permit when hunting. Cut along the dotted lines and fold to credit card size for easy carrying.

Tag It: Make a game tag and attach it to the animal.

- Immediately upon harvest and prior to moving the carcass, you must attach a game tag to the animal.
- You will make your own game tag and it can be made of any material that you can legibly write on using an ink pen or waterproof permanent marker.
- The game tag must include:

Your full name

Date of harvest (Month/ Day/ Year)

Time of harvest (Hour: Minutes: am or pm)

County of harvest

- You must also write this information on your permit in the spaces provided. **Do not use this permit as a game tag.**
- After you attach the completed game tag and write the information on your permit, you legally possess the animal and may transport it to its final destination.

Check It: Get your game-check confirmation number.

- To check your game and receive your game-check confirmation number you can:
 - Dial 1-877-TAG-ITOH (1-877-824-4864) or
 - Go online at www.ohiogamecheck.com or
 - Visit the nearest license agent
- You will need your permit number and date of birth to get your game-check confirmation number.
- At the end of the game-check process you will receive an 18-digit game-check confirmation number.

You must record this number on your permit and attach the number to the animal.

You may write this number on your attached game tag.

- The automated game check process must be completed by 12:00 noon the day after the kill. If a deer is killed on the last day of a season, then it must be checked in by 11:30 p.m. on the day of kill.
